## IPO TO MONETISE 5 HIGHWAYS

# NHAI to raise ₹9,500 crore via public InvIT later this month

MUKESH JAGOTA  
New Delhi, February 9

**THE NATIONAL HIGHWAYS** Authority of India (NHAI) will raise ₹9,500 crore through the monetisation of five operational highways in the first round of asset acquisition by its public Infrastructure Investment Trust (InvIT), Raajmarg Infra Investment Trust (RIIT).

As a public InvIT, RIIT will raise funds of around ₹600-700 crore from retail investors as equity for asset acquisition. The Initial Public Offering (IPO) of RIIT is expected to hit the market later this month, with retail participation accounting for 10% of the total equity units.

Retail investors can apply for units with a minimum investment of ₹10,000, going up to ₹2 lakh.

The funds for acquisition will be raised through a mix of debt and equity.

While equity will account for 60% of the total, the remaining 40% will come from bank loans. NHAI, as the sponsor of RIIT, will hold 15% of the units, 30% will come from anchor investors, and the rest primarily from domestic financial institutions, officials said.

"Through this public InvIT, retail investors will not only gain the opportunity to earn stable and attractive returns from operational National Highway assets but will also provide a sense of ownership and pride in

## PROJECT DETAILS

Monetisation through InvIT by NHAI

Year	Length (KM)	Value Realised (₹ Crore)
2021-22	389	7,350
2022-23	247	2,850

contributing to the growth of national infrastructure," NHAI Chairman Santosh Kumar Yadav said in a statement.

RIIT will acquire five highway sections spanning over 260 km across four states in its maiden issue.

The monetised assets include 80.52 km Gorhar-Barwa Adda section in Jharkhand, 69.4 km Chikaluripet-Vijayawada section in Andhra Pradesh, 32.6 km Chennai Bypass, 33 km Chennai-Tada section in Tamil Nadu, and 44.6 km Neel-mangla-Tumkur section in Karnataka.

Over the next three to five years, NHAI plans to transfer additional assets of about 1,500 km to RIIT.

The authority is expected to raise another substantial sum this year through the monetisation of two highway stretches total-

ing 311 km under its private InvIT, the National Highways Infra Trust (NHIT).

Proceeds from the monetisation of highways through InvITs are used exclusively for debt repayment. This year, NHAI also plans to aggressively reduce its outstanding debt.

So far, NHAI has raised ₹12,357 crore from two rounds of monetisation through the Toll Operate Transfer (ToT) mode. Bids for ToT bundles 19, 20, 21, and 22 remain open and could be finalised within this financial year.

For 2025-26, NHAI has identified 24 road assets with a total length of 1,472 km for monetisation through ToT and InvIT. Around ₹30,000 crore is expected to be raised via ToT and InvIT, while the remainder will come from asset-backed securitisation. In 2024-25, the highway builder raised ₹28,724 crore through monetisation.

# GDP to grow 6.4% in FY27

FE BUREAU  
New Delhi, February 9

**INDIA'S REAL GDP** growth is projected at 6.4% in 2026-27, making it the fastest-growing major economy in the G-20, Moody's Ratings said on Monday, adding that the economic momentum underpins a stable outlook for its banking system.

Moody's growth estimate for FY27 is lower than the 6.8-7.2% projected in the latest Economic Survey by the finance ministry economists.

Moody's said growth will continue to be driven by resilient domestic consumption, supportive fiscal measures, and macroeconomic stability. This backdrop provides a favorable operating environment for banks, reinforcing balance-sheet strength, credit expansion, and profitability.

"The rationalization of the

27 only if there are signs of a slowdown in economic activity," it said. It projected system-wide loan growth to accelerate slightly to 11%-13% in fiscal 2026-27 from 10.6% in fiscal 2025-26 to date.

Banks' asset quality will remain broadly stable. "We expect the system-wide nonperforming loan (NPL) ratio to stay low at 2%-2.5%, although the slippage ratio may rise modestly as loan vintage season," it said. Retail asset quality will remain steady, particularly among prime borrowers, though performance will diverge across lenders depending on underwriting standards and borrower mix.

Stress will be concentrated among micro, small and medium enterprises (MSMEs), especially in export-oriented sectors such as textiles and gems and jewellery, it said.

goods and services tax (GST) in September 2025 and an earlier increase in personal income tax thresholds will help improve affordability for consumers and support consumption-led growth," Moody's said. The Reserve Bank of India (RBI) lowered its policy rate by a total of 1.25 basis points to 5.25% in 2025, but with inflation under control and growth momentum remaining strong, "we anticipate it will further ease monetary policy in fiscal 2026-
